**In The United States Patent and Trademark Office**

Application Number: 10/724,450

Examiner: Hung Xuan Dang

Applicant(s): Yiling Xie

Group Art Unit: 2873

Filing Date: 12/01/2003

Title: Spectacles Set with Detachable Magnetic Shelter Frame

Date: December 09, 2004

**RESPONSE**

Honorable Commissioner for Patents,  
P.O. Box 1450,  
Alexandria, VA 22313-1450

Sir:

In response to the Office Action mailed 09/20/2004, the applicant respectfully submits as follows.

**Response to Rejection of Claims 1 to 20 under Obviousness Double Patenting**

1. The applicant submits a terminal disclaimer herewith, in compliance with 37CFR1.321(c), to disclaim the terminal part of the statutory term of any patent granted on instant application which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173, as presently shortened by any terminal disclaimer, of prior Patent Nos. 6,540,348, 6,783,233, 6,761,449, 6,729,723, 6,382,787 and prior application no. 10/648,126, in order to overcome the rejection of the claims 10 under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-20 of U.S. Patent No. 6,540,348, claims 1-40 of U.S. Patent No. 6,783,233, claims 1-28 of U.S. Patent No. 6,761,449, claims 1-8 of U.S. Patent No. 6,729,723, claims 1-20 of U.S. Patent No. 6,382,787, and claims 1-20 of U.S. Copending Application No. 10/648,126.

2. Although a terminal disclaimer in compliance with 37CFR1.321(c) is submitted herewith to practically overcome the nonstatutory double patenting ground and render the instant invention allowable, the applicant respectfully submits that the instant invention contains patentable subject matters in the disclosed embodiments and the

claims 1-20 of the instant invention are patentable with respect to the prior patent nos. 6,540,348, 6,783,233, 6,761,449, 6,729,723, and 6,382,787.

3. A check in an amount of US\$55.00 is submitted herewith to pay the terminal disclaimer fee. This amount is believed to be correct; however, the Commissioner is hereby authorized to charge any deficiency or credit any overpayment to Deposit Account No. 502111.

4. In view of the above, it is submitted that the claims are in condition for allowance. Reconsideration and withdrawal of the double patenting rejection are requested. Allowance of claims 1-20 at an early date is solicited.

5. Should the Examiner believe that anything further is needed in order to place the application in condition for allowance, he is requested to contact the undersigned at the telephone number listed below.

Respectfully submitted,

Raymond Y. Chan  
Reg. Nr.: 37,484
